Poster Presentation Guidelines

- Presenters are required to prepare their posters in size:

  - Imperial: 5 ft * 3 ft (60 inches * 36 inches)
  - Metric: 152.4 cm * 91.4 cm
  - **The poster must be in landscape and not exceed this size.**

- The title should be the same as the abstract title submitted and presented in boldface at the top.
- Names and affiliations of all authors (each author to be marked with superscript numbers such as 1, 2) with their corresponding institute affiliation and their addresses.
- Please provide abstract ID on the top right corner of the poster as illustrated.
  - The ID for each abstract is given in the detailed agenda: https://wgftfb.org/annual-meeting/meeting-information/
- Make the posters as self-explanatory as possible. All the contents should be of sufficient size so they can be easily read from a distance of 1-2 meters.
- The poster may include tables, graphs, photographs or illustrations.
- Please include a photograph of yourself on the poster.
- Presenters are required to bring their printed posters with them.
- Printing the poster, putting them up for display and removing them will be the sole responsibility of the presenter.
- Authors are expected to respond to questions and provide explanation about their poster presentation during the respective sessions.
- Authors are invited to include a QR code on their poster that links to a relevant document, paper, website, or other.
